Group Art Unit:

3632

PRELIMINARY AMENDMENT

U.S. Patent & Trademark Office Mail Stop Amendment Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

Please amend the above-identified application preliminarily as follows:

Amendments to the Claims

Please add new claims 2-20 to the application as follows:

2. The modular support apparatus of claim 1, wherein each engagement means comprises inner and outer bracing means, the inner bracing means having an aperture aligned with an aperture of the outer bracing means, whereby the linking member is engaged by both bracing means of each of said engagement means simultaneously and in said apertures thereof.

The
